The University athletic programme for the 1962-63 season was as extensive as last year and as successful. Statistics show that 150 were active in 13 intercollegiate sports. The programme offered to the student body included some 37 different activities in the intercollegiate, intramural and recreational levels of competition.

Sir George Williams University was represented in 12 OSLAA activities. There was a total of 16 sports offered to the student body in the intramural programme, a total of 14 activities on the recreational level. Co-recreational activities numbered 9. The women's athletic programme offered 7 activities.

The intercollegiate teams played in a total of 156 games or tournaments and travelled a total of 11,450 miles in the United States and Canada.

The teams that represented Sir George in athletic competition in 1962-63 (with one exception) have created or furthered the excellent reputation enjoyed by Georgians in the past. Much of the credit for this must be given to the fine coaching staff who contribute of their time and effort to make the programme a worthwhile one and a sound educational experience for the students competing. The faculty and administration advisors are also to be congratulated for their excellent support.

INTERCOLLEGIATE SPORTS

GOLF - Coach Magnus Flynn

The golf team won the OSLAA championship for the third successive year in a meet hosted by Sir George Williams University at the Ste. Hyacinthe Golf and Country Club. The Georgian team also won the Sir George Williams University Intercollegiate International Invitational Golf Tournament. This meet will be an annual invitational. It is hoped to have four American and four Canadian teams compete each year on an invitational basis. A trophy has been donated by Mr. R. Lunny for the tournament. The tournament was held at the Lachute Golf and Country Club.

TENNIS - Coach Peter Vita

The Sir George tennis team finished second in the OSLAA tennis tournament hosted at CMR (St. Jean). Practices and tournaments were held at the Somerled (Municipal) and the Monkland Tennis Clubs. Home and home matches were held with Macdonald College and Loyola College.

TRACK AND FIELD - Coach Reg Gates

The track team competed in the Macdonald College Twilight Meet and in the OSLAA meet and placed third in both meets. Interest is growing and we now have approximately thirty students vieing for a place on the team.

SOCCER - Coach Peter Wilcox

The Georgians won the OSLAA soccer championship and also won four exhibition matches against American Universities. Interest is very high and spirit excellent. A very large turn-out for the team is now assured with the interest developed during the past three seasons.

HOCKEY - Coach Richard C. Smith

The Sir George Maroons ended in fourth place in OSLAA and lost out in a playoff to the University of Ottawa. Most of the "rookies" should be returning next season so that the team should be stronger. Appointment of an Assistant in the athletic office should help to consolidate or co-ordinate our hockey programme. Four American exhibition games were scheduled as well as the OSLAA and local exhibition games. Interest seems to be growing and more students are trying out every year. We will restrict our schedule to OSLAA and one American exhibition next season with possibly some local games.

WATER POLO - Coach Jim McBride

The water polo team competed in a three team OSLAA league and lost to RMC in the final standings. This is the first time that Sir George has lost the OSLAA water polo championship in approximately nine seasons of play. Exhibition games were scheduled with McGill and the East End Boys Club.

SWIMMING - Coach Jim McBride

The Georgians had their most successful swim season yet winning five out of six meets including the OSLAA championship. Swimming has gradually developed and is now a sound part of the University athletic programme. Dual meets have been scheduled with the University of Vermont and Norwich University for next winter in the United States. We expect to enlarge to an eight to ten meet season. We still have to contend with the awkward practice times.

SENIOR BASKETBALL - Coach Bob Berkman

The senior Georgians began the season with ten rookies and two returning lettermen. The team competed in the OSLAA and the CIBL. A Sir George sponsored basketball clinic and tournament was held in Montreal on January 4th and 5th with M.I.T., Pennsylvania Military College and Queen's University competing. Attendance at the coaching clinic was forty-three and attendance at the games was fair considering the time of the year. We hope this will be an annual tournament. A very fine trophy has been made available for the tournament. The CIAU now sponsors a Canadian College basketball playoff which should promote interest in the basketball programme.

J/V BASKETBALL - Coach Al Hirsch

The J/V's competed in the CIBL and ended the season by losing out to St. Joseph's in a playoff series. A home and home series

with W. Miner Institute in Chazy and with Carleton University were high-lights of their season. Al Hirsch has done an outstanding job with the J/V squad for two seasons and makes a tremendous contribution to Sir George and the students playing on the team.

SQUASH - Coach Wm. Johnstone

The team competed in the "C" Section of the Montreal Squash League. Practice matches and intramural tournaments were held in Central Y. A visit to Dartmouth College proved of value and lessons were arranged at the Montreal Badminton and Squash Club, with the club professional, J. McQueenie. The interest in squash at Sir George has grown tremendously during the past two years amongst the student body. The sport suffers from the lack of adequate courts and facilities.

CURLING

The Curling Club was re-organized this year through the efforts of the Athletics Council and Jim Fraser. A constitution was developed. The Club competed in the OSLAA and many local matches. A genuine interest was developed and this enthusiasm augers well for the future of curling at Sir George.

SKIING - Coach Alex Dixon

There was no competitive skiing at Sir George. However, several of our better skiers were afforded the opportunity of

lessons at the R. Lanctot Ski School under Dave Jacobs at the annual "Ski School for Racers". Lessons were given to approximately forty-five beginners.

RIFLE CLUB - Advisor A. Douglas Insleay

The team competed in OSLAA meet at Kingston and placed third. The team won the CURL trophy for the second successive year and competed in several home and home postal matches with RMC. The team travelled to Bishops and exchanged home and home matches on two occasions with CMR.

BADMINTON

A team was entered in the Murray Badminton League this year. The league seems somewhat disorganized and as matches were scheduled and rescheduled, the interest in the activity waned. Doubtful if this sport will "move" without a coach or advisor.

WOMEN'S VOLLEYBALL - Coach Maureen Ring

Interest is developing in volleyball and exhibition games were scheduled with Carleton, McGill, Queens and Macdonald. This should prove more popular as the women's enrollment grows.

WOMEN'S TENNIS - Coach Peter Vita

The women's tennis team competed versus Macdonald College, Marianopolis and the Montreal General Nurse's teams. Interest - fair.

WOMEN'S BASKETBALL - Coach Maureen Ring

The team played in the W.O.B.L. Team members are from the University Day and Evening divisions, and from the Business School and School of Retailing. The team played a home and home series with Carleton University and in a Sports Day competition at McGill.

WOMEN'S HOCKEY

Games and practices were held at McGill Winter Stadium. The enthusiasm this year was fair only.

SPECIAL EVENTS

Varsity Alumni Basketball Game:

Third annual game. A pre-game meal was attended by 53 alumni, senior basketball members and members of the University Administration and Athletic Office Staff. Several hundred spectators attended the game, played at Mont St. Louis gymnasium.

Basketball Tournament and Coaches' Clinic:

Sir George sponsored a tournament and coaching clinic in Montreal. Pennsylvania Military College, M.I.T., Queen's University, and Sir George were the four teams involved. All coaches participated in the clinic with lecture and demonstration material. Forty-nine local and out of town coaches and basketball enthusiasts attended the clinic. Lecture notes were mimeographed and mailed to all who attended. A trophy has been purchased and we expect this to become an annual event.

International Invitational Intercollegiate Golf Tournament:

Sir George Williams University, Paul Smith's, University of Montreal, McGill University and Carleton University took part in the tournament held at the Lachute Golf and Country Club. A fine trophy was donated by Mr. R. Lunny for the tournament and this will be sponsored annually.

Awards Banquet:

Served approximately 300 students, faculty and administration, parents and guests. Coach Jim Trimble of the Montreal Alouettes was the guest speaker and he discussed some of the advantages and disadvantages of Sir George Williams University offering football as part of the athletic programme.

ATHLETICS AWARD WINNERS

Soccer

J. Crncich, I. Douglas, D. Fletcher, F. McLymont, G. Stachrowski, F. Chang, R. Licorish, P. Komlos, L. Granger, A. Todd, K. Mak, E. Martin, B. Dyer, G. Zarand, D. Williams, L. Huntley, N. Nagy, K. Davis, R. Thorpe - Manager.

Hockey

Intramural Curling

K. Symons, S. Phillips, G. Lee, C. Finn.

Intramural Golf

T. Fletcher.

TROPHY WINNERS

The Manolakos Trophy (Senior Basketball)	Ken Green
The Dan Janna Trophy (J/V Basketball)	Norman Loftus
The Athletics Council Intramural Shield	Arts
The Rifle Club Award	Stephen Fisher
The Nachshen Trophy (J/V Basketball)	Gordon Collyer
The Women Associates' Trophy (Basketball)	Linda Fox
The Sir George Williams University Swimming Trophy	Richard Pound
The Squash Shield	Brian Stocks
The Bob Lunny Trophy (Hockey)	George Trakas
The Dick Thompson Trophy (Basketball)	George Igaz
The John Smith Chapman Trophy (Squash)	Jim Kenward
The James G. Finnie Trophy (Soccer)	Gus Zarand
The Allan Smith Memorial Trophy (Hockey)	David Dies
The Varsity Alumni Trophy	Alumni
The Dr. H. F. Hall Trophy	Richard Pound
The Gill Trophy	Gerry Stachrowski

ATHLETICS COUNCIL SUMMARY

The Athletics Council completed an active and fruitful year with the closing meeting in May, 1963.

October 10, 1962

The October meeting introduced a new policy and approach to the cheerleaderettes situation, reporting the complete re-organization of the group. Discussions of awards policy committee, insurance for athletics and athletic travel were on the agenda.

November 7, 1962

The Council discussed three "release" requests and granted same. The new insurance policy was discussed and it was indicated that this was superior in all aspects to the previous one. A Curling Club Constitution and the Football Report were presented to the Council for revision and discussion. Elections were held.

November 28, 1962

Special Meeting. The Council adopted the Curling Club Constitution and submitted a Football Report. A special committee was then appointed to refine the document.

December 12, 1962

The final football document was approved and forwarded to the Principal for his reaction and presentation to the Board of Governors. An auxilliary report was submitted by Jim Shannon--the results of a questionnaire circulated amongst Canadian Universities.

February 6, 1963

The Council adopted a schedule limitation for all sports to prevent over-involvement and to limit the number of games in each

activity. The Council membership was brought up to quota with the appointment of two new Evening University representatives. The Council received a report on the Basketball Coaches Clinic and Tournament and selected the date for the Awards Banquet.

March 13, 1963.

The Council was informed that Jim Trimble of the Montreal Alouettes had accepted an invitation to speak at the Awards Banquet. David Gavsie reported results of a survey of similar American Colleges and Universities re attendance and the development of a booster club.
